

Group 3: WHAT ARE THE 3-5 PRIORITIES FOR ACTION BY HOSPITALS?

1. Summary Paper ("who": CRT)
 - Awareness & explain why: Size, impact, categories, urgency
 - Open eyes non-participants
2. ESC Flyer / White paper for hospitals (Task Force / Hospitals)
 - To support and help hospitals: best practice
 - Create standards. Propose categories. Offer software & AI
 - Change mindset (Save environment == Save also money)
3. a Survey on Hospital Footprints (Task Force / Hospitals): • Snapshot of today's situation.
b Larger Data Sets / "Registry" like (Task Force / Hospitals): • "Data drive change" (~quality indicators)
4. Accreditation (ESC Task Force / Hospitals)
 - Heart Center labeling: include label for "Green standards"
5. Policy Makers (Task Force / ESC Work forces / Hospitals / Industry)
 - EU: Support (win-win)

Group3: Hospital priorities
