Dear Professor Weidinger

I am writing to express my strong motivation to serve on the Nominating Committee of the European Society of Cardiology. Having been actively engaged in the ESC community for many years and deeply committed to promoting excellence, diversity, and integrity in cardiovascular science and clinical practice, I would welcome the opportunity to contribute to this essential process that shapes the future leadership of our society.

Over the course of my career, I have had the privilege of working with colleagues from a broad range of specialties, institutions, and cultural backgrounds. These collaborative experiences have strengthened my appreciation for transparent, merit-based selection processes and for the value of balanced representation across gender, geography, discipline, and career stage.

I bring to this role a strong sense of responsibility, fairness, and discretion as well as I am prepared to dedicate the necessary time and attention to reviewing nominations thoroughly, engaging constructively with fellow committee members, and upholding the high ethical standards of the ESC.

Thank you very much for considering my application. I would be pleased to contribute my experience and dedication to this important responsibility.

Sincerely,

Prof. Dr. med. Julinda Mehilli
